

She obtained her diploma as a nurse at the Benedictus Poort in Ghent in 2011.

That same year she started working in the AZ Maria-Middelares in Ghent in the Department of Orthopedics, for 4 years.

Since late 2015 she has been working for the Medical Center for knee and hip surgery in Sint-Martens-Latem.

Her function is to instrument and assist the various orthopedic procedures and also to support the consultations.

An-Sophie likes to spend her free time with her partner, family and friends. She also likes good food, cycling and swimming.
